A Lovable Smile Endeared Taft To the People

Hale, hearty, cheerful and thoroughly democratic, our former president was known in every corner of the country for his twinkling eyes and pleasant countenance. It was a remarkable likeness of the great statesman, distributed in every city and town of the 48 states that made people everywhere feel as though they knew him personally. The original photograph, clear, true and enduring, was taken of Taft just before his nomination, by

Advance Fashions in Fine Footwear

FOR winter wear and early spring, gowns, gloves and shoes should harmonize in color. Gray and Field Mouse are the prevailing color tones, and shoes of **"F. B. & C."** Gray Kid No. 24, or **"F. B. & C."** Field Mouse No. 88, are the footwear fashions highest in favor wherever well dressed women congregate. These modes will continue until the coming of warm weather.

For Southern Resort wear **"F. B. & C."** White Washable Glazed Kid "No. 81" is the leather which **"Fits on the Foot like a Glove on the Hand"** and requires no mussy dressing.

NOTE

MADE only from imported kid skins, with shipping facilities still impeded, and in greater demand than ever, **"F. B. & C."** Kid is increasing daily in scarcity. Early buying is strongly advised.

LOOK for these **"F. B. & C."** marks on tags attached to shoes or stamped inside the shoe. They mean **"The Best There Is"** in leather.

FRITZI SCHEFF in "Glorianna"

It is most welcome news to Bostonians in the announcement that FRITZI SCHEFF comes to the Tremont Theatre for two weeks in John Cort's magnificent production of "Glorianna." This engagement is necessarily limited and next week is the final one. "Glorianna" will positively end its engagement Sat. night, Feb. 8. The absence of Miss Scheff from the musical comedy stage has been a much regretted loss, for hers is a voice of exquisite purity which in these days of modern styles of musical entertainment is a positive rarety. That she will receive a cordial welcome is assured, and there is sure to be sincere regret that the engagement is limited to so short a period. The vehicle in which she comes to us is a musical comedy of superior merit quite fitting to the star's transcendent ability. "Glorianna" was written by Catherine Chisholm Cushing with music by Rudolf Friml, a composer noted for his musicianly attainments and his gifts for evolving tuneful, as well as scholarly compositions. A notable supporting company with Herbert Corthell as leading comedian will people the assisting characters. The scenery was painted by Urban, the master colorist who now stands supreme in his profession. The regular Wednesday and Saturday matinees will be given.. Mail orders will be promptly attended to. There will be no advance in prices.
